REACHING STUDENTS AT ILLINOIS AND BUILDING GENUINE, LOVING DISCIPLES OF CHRIST

# New Beginnings

June 2010

## Nick & Amy Modrzejewski

Missionaries on the campus of  
University of Illinois with Illini  
Life Christian Fellowship

### Our Adventure nst, mtd, lol

Flight 2128 out of Orlando, FL lifted wheels nearly an hour ago; Amy works on a sudoku puzzle while I tap the keys of my laptop.

Nick & Amy Modrzejewski, GCM missionaries. That thought brings a smile to my travel weary face. Just a week ago we left the GCM new staff training (nst) facilities at Wycliffe Bible Translators' campus marking the beginning of initial ministry team development (mtd). Which brings me to my first thought:

College missionaries need to be well versed in three-letter-acronyms (tla's).

<u>Missions</u>	<u>Students</u>
gcm	lol
mtd	brb
nst	idk

The past week we have enjoyed the gracious hospitality of some close friends and partners in ministry as we began sharing our story with folks we know in the Orlando and Jacksonville areas. It was a fruitful trip for us, with God providing several new ministry partners.

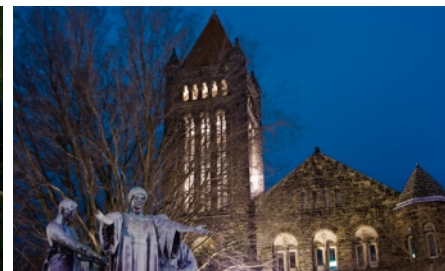

As we begin our new adventure as missionaries, we ask that you pray for God to begin revealing the team he has for us in this work. Pray for our marriage to remain strong and a testimony to the work of Jesus in our lives. Lastly pray for the campus, that The Gospel would go out and Jesus would be known.

We thank you for your partnership in reaching students at the University of Illinois.

## Back On Campus summer church

Meanwhile, back in Champaign, Illini Life summer church swung into full action this past week. With the sheer number of students gone for the summer, campus moves at a slower pace. Throughout the summer students will join us for a Wednesday evening teaching and worship service, with small groups meeting throughout the week.

With the slower pace, I-Life finds plenty of opportunities to build community and reach out to friends through ultimate frisbee, barbecues, softball, running, cycling and movie nights.
