### Stories from the Road updates, plans, fun

As I write today, Amy and I are readying to head to her grandparent's cottage to spend the 4th of July with family. The past week has found us on the road beginning a month of traveling to share about GCM and the work we do with college-aged young people.

We will be in Michigan the first and last weeks of July and the Chicago suburbs for the middle weeks. With all this driving your prayers for safe travel are much needed.

God has certainly been providing. Today after just one month we're at 10% of the needed financial support to get us back to campus. We're continually thankful and humbled by the generosity and support of others and God's provision in our lives.

It's not all just work, work, work. A few weeks ago we had the chance to take a day off and run the "Warrior Dash" with some good friends. The race had us crawling through mud, climbing over cars, and jumping over fire. We had a great time!

### Out in Colorado Digital Image

#### "My name is Digital Image"

On Saturday afternoons a group of college students participating in GCM's 10 week leadership training program (LT) in Colorado head to a nearby city to share The Gospel and love of Jesus Christ with the homeless, needy, and spiritually curious.

Matt, a friend of mine who just finished his freshman year of college at U of I, reflects on his time meeting "Digital Image" just a few weeks ago.

**"We found ourselves talking to this man for the entire time we were there which was about 2.5 hours, and to give you an idea of what the conversation was like he spoke for about 2.4 of those hours. Honestly, it was challenging because**

**both of us wanted to say so much to him, but his biggest need was definitely to be listened to, so it was awesome just being able to hear his story and feel pain where he felt pain and rejoice in the things he was learning."**

Matt goes on to share about praying with Digital Image and how God really used the time to grow his heart to draw near to those broken and in need of the hope of Jesus.

Matt writes regularly about his time at [mattdacanay.blogspot.com](http://mattdacanay.blogspot.com)
