Back On Campus Faith in Action

Hello faithful partners in the Gospel!

Another month has passed and we continue to move along in the journey of ministry team development, finding new partners in the Gospel. As many of you know this is a long road and one we've been on for 9 months already. God has been faithful and today we're at 48% of our needed monthly support. Thank you for your generous gifts and prayers.

This coming August will bring a new school year, full of new students to reach and returning ones to continue discipling and sharing with. The start of a new school year is one of the most exciting times in college ministry.

Talks have begun with the staff team and pastors at Illinois and I'm needed back on campus for the coming school year. Amy and I are excited as we look forward to returning to campus and eager to see God raise the rest of our support.

We're earnestly praying that God would provide the needed 52% of our support between now and August. I hope you'll join us in this prayer as well.

While I've been on the road meeting with folks all over the country, Amy has been able to stay rooted in Champaign working with many of the students in our fellowship.

From dorm bible studies, cooking meals for home fellowship and giving rides to the grocery store, she serves and loves them well.

Over spring break she'll be heading to Memphis, TN with a team of 30 students and 5 adults. They'll be serving in the community repairing homes and helping the poverty stricken get back on their feet in addition to sharing the truth of Jesus Christ.

Pray for God to transform hearts and minds of those in Memphis and those on the trip.

Illini Life is also sending a team of 18 to Haiti over spring break to continue in the relief work after last year's earthquake. The team is bringing 15 laptops to set up a computer lab for a local school.

Prayer Requests

- We're at 48% of our monthly support goal. ☺
- Nick would meet new people who are excited to hear our story (very critical at this point).
- Safe travels and divine appointments as Amy and the Memphis team share the love of Christ with those in need.
- That our support would be raised before the start of a new school year.
