The MTD Journey "On the road again"

Back On Campus Running the race

March saw not just me, but also Amy on the road quite a bit. I wrote to you last month letting you know of the Missions trips to Memphis, TN and Haiti. I'm happy to report both trips were a success, allowing the teams to complete the work they set-out to do.

Amy's five-person team replaced a kitchen floor for a family and was able to share the love of Christ in this tangible way and with their words.

Last week I spent time at Bowling Green State University at a conference for GCM missionaries in the support raising phase. Refreshing and encouraging are the words that come to mind when I think back on our time together.

Next week has me in St. Louis sharing with folks about the ministry and then back to the Chicagoland area for a few weeks.

We're currently asking God to provide 40 more financial partners to give on a monthly basis in order to finish off raising our support and return us to campus full-time. I hope you'll pray expectantly with us.

"Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize." 1 Corinthians 9:24

Many of you know that Amy and I are avid runners and aspiring triathletes. What you may not know is how that relates to our ministry.

At the end of this month we'll be running the Illinois Marathon 1/2 marathon that circles campus. Several of our co-laborers, students and friends will be running with us. These are folks we've been running with for months if not years at this point.

The long training runs on Saturday mornings and throughout the week have been great times to disciple and be discipled as conversations move through life and faith.

Over the years these different running communities have been great places for us to get to know new students and unbelievers and build relationships for sharing the Gospel - just one of the prizes we run for.

Prayer Requests

- We're at 52% of our monthly support goal. ☺
- Nick would meet new people who are excited to hear our story (very critical at this point).
- That God would provide 40 new financial partners to get us back to campus for the start of the new school year.
- Safety and fun for all the participants in the Illinois Marathon races on April 30th.
