

# New Beginnings

June 2011

## Nick & Amy Modrzejewski

Missionaries on the campus of University of Illinois with Illini Life Christian Fellowship

### On The Road Traveling together again

### Back On Campus Summer Church

Just as May ushered in an end to the University school year, June has done the same for the public school system where Amy currently works. Having spent a busy year working in the schools and doing ministry on the side while I travel to raise our support, she is quite ready for the summer.

This month we will be on the road raising our support together - a welcome change to the distance we've had between us this past year.

As the fall semester begins to come into sight, we eagerly press on in that task. We're earnestly asking God to continue this work He's begun and raise the remaining 40% of our monthly support for this coming school year. We hope you'll join us in that prayer.

We're continually blown away by the generosity of so many of you in your commitment to pray and support the work we do with GCM at the U of I. Without you there would be two fewer missionaries at this university. Thank you for enabling the good news of Jesus Christ to go out through Amy and I on this campus.

With the passing of May into June, campus settles into a much different pace. The population drops drastically, summer school begins and, in general, stress levels are lower. Students are more willing and available to stop and have a conversation with you on the quad or to attend outreach events.

As a campus church we match that pace with a more relaxed schedule. We provide a midweek large group service on campus where God's word is taught. There are small groups led by students and volunteers, and many outreach-minded events like summer sports, BBQs and movie nights.

Summer is a time to meet new students but also to deepen the relationships with the students who are in town continuing their research and taking classes.

We hope you'll join us in praying for this summer to be a fruitful time of reaching new students at the U of I and a great time of discipleship for all those involved in Illini Life.

### Prayer Requests

- We're at 60% of our needed monthly support. ☺
- That God would provide 30 new financial partners to get us back to campus fully supported for the new school year.
- For the Gospel to go out on campus during this more relaxed season of summer classes.
- Praise God for you all and your generous partnership in ministry and friendship.
