Support Raising Update Returning to Campus!

On Campus Fall Preparation

We write to you today with more than a little excitement. After a little over a year of raising our support team Nick is returning to campus to resume full-time ministry.

As we return to campus this month we'll begin gathering our students, volunteers, and fellow missionaries in preparation for the coming school year. We'll be spending time together praying and planning for the nearly 8,000 new students that will be moving to campus in August and the 32,000 returning ones.

It's been a great joy to meet so many new friends and partners in ministry along the way. Thank you for your hospitality, support and encouragement. **We couldn't do this without you.** We look forward to continuing to get to know and pray for you.

There are BBQs to be planned, outreach events, an adventure race, large-group kick-off and Bible studies to be written - to name a few. We would love your prayers as we seek to be faithful in these tasks with the ultimate goal of making Jesus Christ known at the University of Illinois.

While our support isn't fully raised, we're trusting God to continue to provide as we answer the need on campus for more laborers this fall.

This past month Illini Life has been gathering for Summer Church service on Wednesday evenings - providing community and teaching for students doing summer school. We're excited to be joining them upon our return.

In just a few day's time we'll be off on a brief vacation and then returning to Champaign to reconnect with students and our fellow missionaries on campus.

Amidst all the preparation and summer church, Nick will be seeking to readjust to life in one location, not living out of a suitcase all week, and is excited to meet face-to-face with close friends again.

Amy will continue her job in the schools this year while we continue to raise to full support. We're still asking God to provide **\$300/month** in support to cover our needs for the coming school year and we continue to ask Him to provide beyond that toward our goal of both being freed-up to serve. I hope you'll join us in those prayers.

Prayer Requests

- We're at 61% of our needed monthly support. ☺
- That God would provide 30 new financial partners for us to be fully supported and freed-up to serve on campus.
- For transition back to life in Champaign and ministry full-time.
- For safe travels for Amy and I as we take vacation and return to Champaign.
- Praise God for you all and your generous partnership.
