Meet Our Friends Students

Matt is a junior in Mechanical Engineering. He got involved with Illini Life when he was a freshman through a lunchtime Bible Study and discipleship time Nick was leading. Matt leads a

Connect Group seeking to share Christ with his peers and study the Bible with them. He meets weekly with Nick for mentorship.

Emily is a junior in Kinesiology. Amy met her last year through a few other students she was working with. Emily has been figuring out her faith, asking many questions and seeking input from Amy on a regular basis. She is a part of Matt and Kristin's Connect Group.

David is a senior in Electrical Engineering. He has been meeting with Nick regularly since his freshmen year - through Connect Group leading, discipleship and mentorship. David is a faithful servant and loves playing in our

worship band.

Kristin is a sophomore in Political Science. Amy met her last year through Connect Group and quickly learned that Kristin had a heart for Lord and was excited to share that with others. They meet regularly in a discipleship relationship. Kristin is leading a Connect Group with Matt this year.

Matthew is a junior in Business. As a regular workout buddy of Nick's, he has begun to seek input in his life and expressed a desire to grow spiritually. Matthew is currently pursuing a summer internship and has several choices on the table he is praying through.

Jackie is a transfer student Amy met this year through Connect Group. As she's gotten to know Amy she's shared about some tough family stuff she is going through right now and Amy has been a welcomed friend and listener.

These are just a few of the students we have the privilege of calling our friends. Thanks for impacting these lives through your prayers and generous support.
