Support Raising An Update

As we've had a chance to meet with some of you so far this summer, we have been asked how support raising is going and what our financial need currently is. We thought we'd take this chance to update you all on just that.

You might remember that we've been working toward being fully supported for quite awhile now, which would mean Nick would be paid a full salary and we would be able to cover the large cost of health insurance for Nick, Amy and a family. That's been the longterm goal since we began this missionary journey 3 years ago.

Today we're at 72% of that goal and feel so blessed by your generous giving to GCM on our behalf. We couldn't have served in this capacity on campus for the past 3 years without you. **We are so thankful for your partnership with GCM on our behalf.**

The remaining 18% of our support remains a huge need and is our main focus still this summer. We're prayerfully asking God to provide 30 new financial partners (or about \$1,500 in monthly support).

If you'd like to start giving, increase a current gift, or give a special gift to help us toward becoming fully funded, we'd love to talk. Our contact info is below.

Campus Update Spring Break Review

It's been quite awhile since Spring Break, but we wanted to include the newsletter that Nick's Spring Break team put together. We hope you're encouraged by the great things God did in and through our group on this trip.

GCM Address Change

GCM in Orlando is moving its offices to a new larger facility and the mailing address for your gift is changing!

Before August 1: P.O. Box 7101 Winter Park, FL 32793

As of August 1: 11002 Lake Hart Drive, Ste 100 Orlando, FL 32832

GCM will automatically change the address on its giving envelope, but please double check! We wouldn't want a gift to go missing. Your support means so much to us.

P.S. - many of our donors use automatic LifeLink giving instead of mailing a check each month. This may be a good time to switch to LifeLink. We really do prefer it if it works for you. It's secure and it makes sure our ministry funds are never accidentally interrupted. Visit
