Wrapping up the school year 6 Baptisms, 1 New Pastor

Hello!

As we write you this month students on campus are packing their things into parent's cars, the very last final exams are being taken, and graduation ceremonies are being prepared for tomorrow.

The Spring semester has come to an end and our attention is turning toward Summer. Much of the staff team here at Illinois will remain this year to care for the students taking Summer classes. They'll host a weekly worship service, BBQs, outreach through Ultimate Frisbee, and so on.

Amy and I however will be heading to Silver Bay, NY for our Summer LT Program with the Collegiate Church Network.

We're taking 14 students with us to join with around 30 students from Michigan State University. Pray that God would use our 8 week Leadership Training to raise up new workers for the Kingdom.

As the school year wrapped up here at Illinois we had the chance to baptize 6 students in Illini Life. Interestingly enough they were all young men — answering a prayer Nick and others have had that God would bring more devoted young men to our ministry.

Additionally, our friend Fred Kirstien and longtime co-laborer here at Illinois was recognized as a pastor. Breaking a stretch of nearly 1.5 decades of no new pastors being raised up.

Both the baptisms and recognizing of a new pastor were great causes for celebration and we did just that as a community. Last Sunday our service was devoted to giving God glory for the things He has done in our midst this year.

Thanks for your continued prayer and support to Reliant on behalf of Amy and I. This month we've also enclosed an update letter about our Spring Break Missions trip to Memphis, TN.
